Abstract

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Research & Reviews in pharmacy and pharmaceutical sciences aims to distribute scientific and timely information for the academic community and industry involved in understanding, enrichment of topics relevant to pharmaceutical sciences. Research & Reviews in pharmacy and pharmaceutical sciences (ISSN: 2322-0112) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 8 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Editorial Note

Oral Health & Dental Management during this year also brought out 3rd International Conference on Pharmaceutical Chemistry and European Pharma Congress, which consisted of ~ 50 abstracts.

All published articles of this journal are included in the indexing and abstracting coverage of Chemical Abstracts Service (CAS), Index Copernicus, Open J Gate, Academic Keys, ResearchBible, CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, Scholarsteer, International Innovative Journal Impact Factor (IIJIF), International Institute of Organised Research (I2OR), Cosmos, Geneva Foundation for Medical Education and Research, Virtual Library-Pharmacy, Secret Search Engine Labs.

During the calendar year 2019, JPPS received a total of 27 papers, out of which 07 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 19 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 8 published during the year 2019, a total of 19 articles were published of which, articles were published from authors all around the world. Research scientists from all over the world reviewed the 36 articles published in volume 8. Average publication lag time of an article was further reduced to 2-3 weeks

The objective of JPPS is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging.
