PAST CONFERENCE REPORT

Our past conference "4th World Congress on Medicinal Plants and Natural Products Research " was organized on August 08- 09, 2018 at the venue Hyatt Regency Osaka in Osaka. We successfully hosted the event at the conference venue with the support and contribution of the organizing committee members.

- Dr.Carla Natalucci-Hall, Psy.D, USA | Keynote Forum
- Dr.Beata Orzechowska, Polish Academy of Sciences, Poland | Keynote Forum
- Dr.Ruxandra Stefanescu, University of Medicine and Pharmacy, Romania | Speaker
- Dr.Azila Abdul Karim, Malaysian Cocoa Board, Malaysia | Speaker

The conference was organized around the theme " New Frontiers in Transforming Future of Medicinal Plants ". The event implanted a firm relation to upcoming strategies in the field of [medicinal plants](#) with the scientific community. The abstract and applicable data shared, will also foster organizational collaborations to nurture scientific accelerations.

ELIGIBILITY CRITERIA FOR YOUNG SCIENTIST AWARDS: MEDICINAL PLANTS 2020

The Medicinal Plants 2020: [Young Scientist Awards](#): is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector.

The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first basis. Only 25 nominations are accepted globally.

BASIS FOR JUDGING

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Medicinal Plants 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

NOMINATIONS

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory. Candidates applying for the Medicinal Plants 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to medicinalplants@europemeet.net along with the online application at the Medicinal Plants Award page.

PRESENTATION

This award will be presented at Amsterdam, Netherlands during Medicinal Plants 2020 conference.

PRIZE

We will recognize the awardee(s) with a Memento & Certificate of Appreciation followed by special incentive for the next chapter of the conference. The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures. Opportunity will be given to be Student Ambassador for the subsequent future conferences.
