Eligibility Criteria for Young Scientist Awards: Medical Education Summit 2020

The Medical Education Summit 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Medical Education Summit 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **Medical Education Summit 2020: Young Researcher Award** should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to medicaleducationmeet@asiapacificmeets.com along with the online application at the Medical Education Summit 2020 Award page.

Presentation

This award will be presented at Manila, Philippines during Medical Education Summit 2020 conference.
